

Apply for a **FREE** Pet Waste Station

Don't Let Your Neighborhood go to the Dogs!

For a limited time only, askHRgreen.org is offering free pet waste stations through a new grant program. If your Hampton Roads neighborhood, HOA or community association is ready to make scooping the poop a priority, then you're invited to apply.

This grant is open to any neighborhood, civic group or property manager with the ability to install the pet waste station, promote its purpose and use, and maintain it. We give you the station, you keep it up! That means monitoring it regularly to make sure:

- Garbage can is emptied when full
- Pet waste bags and garbage can liners are stocked and available for use
- Pet waste bag replacements are ordered in a timely manner
- Garbage can liners are ordered in a timely manner

Pet waste stations encourage residents to pick up after their pets by making it easy and convenient to do so. Installing a waste station is just one way your community can help keep our local waterways clean. Apply online today or check out the many other ways you can help by visiting our website at:

www.askHRgreen.org/pet-waste-station-grant

**Scoop it.
Bag it.
Trash it.**
