

## K-5 Teacher Workshop

# Looking at Plant and Animal Interactions through new Project Learning Tree Units

**Ages:** 18 and Up

**Cost:** \$10

**Description:** This workshop will highlight the new on-line Project Learning Tree units "Treemendous Science" (K-2) and "Energy in Ecosystems" (3-5). Following with same award-winning hands-on format, these units highlight interactions between plants and animals. During the workshop, you will participate in activities from both of the units and receive the materials necessary to conduct those activities at your school. The cost of the workshop will cover only these materials, not the cost of the curriculum. Both units are available for purchase from the PLT store after the workshop. Bring your laptop and join in the fun. Hosted by Lynnhaven River NOW.

**Date & Time:** Sunday, January 26 from 1pm-4pm

**Location:** Princess Anne Recreation Center (1400 Nimmo Parkway)
